With heartfelt thanks to the Lido Beach community who supported me in my time of sorrow. Thank you to the many people who paid a shiva call, made donations in my brother's name, Jacob Jacoby PHD, and those of you who made sure we had food to eat. It has been such a comfort to know that you were thinking of me while I was saying goodbye to my wonderful brother. May we share in happy times together.

Phyllis G. Pariser

Mea culpa, we never wished Steven Bernstein a Refuah Shelema, so here's to seeing him up and about once again!!
